

Irish Legal News 2026 Media Pack

Irish Legal News is the leading daily online news service for legal professionals across the island of Ireland.

With over a decade of industry excellence, ILN is the **trusted source of information** for thousands of solicitors, barristers, in-house counsel, judges, academics and students, covering all areas of civil and criminal law.

Our free email newsletter is sent every weekday to **more than 12,000 subscribers** across both jurisdictions and boasts an industry-leading **42 per cent open rate**.

Meanwhile, our **high-SEO website** attracts over 100,000 unique visitors per month, driven by highly valuable organic search traffic we can leverage for your brand.

The ILN page is one of the most followed Irish legal pages on LinkedIn, with **over 32,700 followers** — while our Instagram account, rapidly growing to now **over 3,700 followers**, is the ideal place to reach the next generation of legal professionals.

Irish Legal News is established as the **advertising partner of choice** for law firms of all sizes, universities and colleges, regulatory bodies, and government agencies, both north and south of the border.

Whether promoting B2B services, job

vacancies, conferences, CPD events or courses, our platform offers **unparalleled access** to Ireland's legal community.

Get in touch today and let us tailor an advertising solution suited to your brand.
